APPENDIX	
A-1 Pre-Journalism -- Distribution of Students at Urbana-Champaign and Chicago Circle by Major, Level, and Sex	57
A-2 Sciences and Letters -- Distribution of Students at Urbana-Champaign by Major, Level, and Sex	58
A-3 Sciences and Letters (General) -- Distribution of Students at Chicago Circle by Major, Level, and Sex	59
A-4 LAS-Engineering -- Distribution of Students at Urbana-Champaign by Major, Level, and Sex.	60
A-5 Pre-Medicine -- Distribution of Students at Urbana-Champaign and Chicago Circle by Major, Level, and Sex	61
A-6 Pre-Law -- Distribution of Students at Urbana-Champaign and Chicago Circle by Major, Level, and Sex	62
A-7 Irregular and Unclassified -- Distribution of Students at Urbana-Champaign by Major, Level, and Sex	63

Summary of Enrollment Facts and Trends

Comparison of Enrollment. (See Table 1.)

A comparison of Fall 1970 and Fall 1969 enrollment statistics demonstrates that all three campuses, as well as extramural courses, again experienced increases in enrollments. The table below illustrates that Chicago Circle and Extramural Courses at Urbana-Champaign and Chicago Circle reported the highest rates of increase which led to a total University increase of 4,620 students or 8.33 percent.

<u>Campus</u>	<u>1970-71</u>	<u>1969-70</u>	<u>Change</u>	<u>Percent of Change</u>
Urbana-Champaign	34,018	32,759	1,259	+ 3.84
Chicago Circle	18,579	16,234	2,345	+14.44
Medical Center	3,033	2,933	100	+ 3.40
Extramural Courses				
Urbana-Champaign	4,051	3,427	624	+18.20
Chicago Circle	<u>417</u>	<u>125</u>	<u>292</u>	<u>+233.60</u>
Total, University	60,098	55,478	4,620	+ 8.33

At Urbana-Champaign, the highest rates of increase were reported by the College of Law (22.33 percent), Commerce and Business Administration (12.44 percent), and Education (10.87 percent). Only the Graduate College (4 students) and the College of Physical Education (3 students) experienced decreases in enrollment.

All colleges at the Chicago Circle Campus reported substantial increases, the highest rates of increase occurring in the Graduate College (45.43 percent) and the College of Education (24 percent)

The Medical Center Campus, which reported a net increase of 100 students, experienced a 25 percent increase (71 students) in the College of Nursing and decreases in enrollment in the Graduate College (8 students), Dental Assistants program (6), and in the Associated Medical Sciences (3).

Extramural courses at Urbana-Champaign experienced a drop of 70 students in undergraduate credit courses. However, increases of 55 students in graduate credit courses and 639 in noncredit courses resulted in a net increase of 18.2 percent when compared with Fall 1969 data. Chicago Circle undergraduate credit extramural courses had an increase in enrollment of 292 students over the 125 enrolled in Fall 1969.

Percentage of Women. (See Table 2.)

The established trend toward a higher ratio of women at the University of Illinois is again evidenced in the Fall 1970 data. The percentage of women at the University of Illinois in Fall 1970 is 35.68 compared with 35.50 percent for Fall 1969. In 1960, the percentage was 26.94, and in 1950, 23.86. Thus the decade of the 60's showed an accelerated rate of growth in the percentage of women students, compared with the previous two decades.

Noncontinuing and Continuing Students. (See Tables 3, 4, and 5.)

Noncontinuing students, including New Students, Readmissions, and Intercampus Transfers, experienced a 4.30 percent increase in the Fall of 1970 when compared with 1969. Data for the same period show that Continuing Students increased by 9.16 percent. The combined increase for Noncontinuing and Continuing Students, excluding Noncredit Extramural Courses, for Fall 1970 equaled 7.38 percent.

Quality of Beginning Freshmen. (See Table 6.)

In terms of quartile rank, little change occurred in the quality of beginning freshmen. Data for the Fall semester, 1970 at Urbana-Champaign show that 80.20 percent of the beginning freshmen came from the top quarter of their various high school graduating classes as compared with 82.65 percent last year. Also, 97.38 percent of the beginning freshmen ranked in the upper half as compared with 97.82 percent last year.

At Chicago Circle Campus in the Fall Quarter, 1970, 49.90 percent of the beginning freshmen ranked in the top quarter of their various high school graduating classes as compared with 50.13 percent last year. Also, 83.03 percent ranked in the upper half as compared with 84.94 percent last year.

Percentage of Full-time and Part-time Students. (See Table 8.)

Few substantial changes in the percent of full-time and part-time students occurred in Fall 1970 when compared to Fall 1969. The highest rates of change were noted in the Graduate College at the Medical Center Campus where full-time students increased from 59.64 percent to 77.66 percent; and in total enrollment at Chicago Circle where full-time students decreased from 91.05 percent to 87.75 percent.

Except for graduate students at Urbana-Champaign, where 65.94 percent of men are full-time and only 51.90 percent of women are full-time, the differences between sexes in percent of full-time students is small. All extramural students are classified as part-time.

Resident and Nonresident Students. (See Table 9.)

Since 1950, when nonresident enrollment equalled 13.61 percent of total University enrollment, the ratio of nonresidents had declined to 9.44 percent in the Fall semester, 1970. This compares with 11.46 percent in 1969 and 13.06 in 1960.

Geographical Distribution. (See Table 10.)

A. Urbana-Champaign Campus

Home addresses in the State of Illinois are listed by 29,665 students, which is 87.20 percent of the 34,018 registered for the first semester at the Urbana-Champaign Campus. There are 3,246 students from 49 other states plus the District of Columbia. In addition, 16 students came from 3 United States Possessions and 1,091 students came from 83 foreign countries.

B. Chicago Circle Campus

Home addresses in the State of Illinois are listed by 17,935 students, which is 96.53 percent of the 18,579 registered for the Fall quarter at the Chicago Circle Campus. There are 274 students from 41 other states plus the District of Columbia. In addition, 2 students came from a United States Possession and 368 students came from 57 foreign countries.

C. Medical Center Campus

Home addresses in the State of Illinois are listed by 2,655 students which is 87.54 percent of the 3,033 registered for the Fall Quarter at the Medical Center Campus. There are 188 students from 36 other states plus the District of Columbia. In addition, 204 students came from 45 foreign countries.

D. Extramural Credit Courses. (Urbana-Champaign Campus)

Home addresses in the State of Illinois are listed by 1,758 students which is 95.08 percent of the 1,849 registered for the first semester in Extramural Credit Courses at the Urbana-Champaign Campus. There are 91 students from 19 other states. There are no students from foreign countries enrolled in extramural credit courses at Urbana-Champaign.

E. Extramural Credit Courses (Chicago Circle Campus)

There are 417 students registered in Extramural Credit Courses at the Chicago Circle Campus and all of them are from the State of Illinois.

*** Includes Pharmacy and Associated Medical Science students who are in the last year of their program.

¹ Students simultaneously enrolled in the Graduate College and one of the Professional Colleges. They are included only in the Professional College totals. Postgraduate students who are enrolled in the Graduate College are included only in the Graduate College totals.

² Students whose primary campus enrollment is at Chicago Circle or Urbana and who are taking one or more courses at the Medical Center. They have been tabulated separately and are not in Medical Center enrollment totals.

NOTE: Full-time student equivalent data are obtained as follows: Each student registered for 12 quarter hours or more (or the equivalent) is counted as one F.T.E. The credit for all students registered for less than 12 hours (or the equivalent) is combined and divided by 12 (or the equivalent). A graduate unit is considered equal to four semester hours or six quarter hours.

The Full-Time Equivalent of students who are concurrently registered at another campus of the University of Illinois is no longer reported.
